Blessing Our Community

This week, as a church, we want to lift up the election. Almighty God, prepare our hearts & minds as we head toward voting. We express gratitude for the right to vote, & we lament the brokenness of our democracy & voting system - a system that continues to suffer from inequity. Empower us, O Lord, to make decisions rooted in the ways of Jesus rather than the ways of the world. Give us wisdom & discernment as we cast our votes with a humble spirit, & let our voting be an act of prayer. May we be reminded that the candidates we vote for are not our savior, but you are the bringer of the heavenly kingdom, & our ultimate hope rests in you. We commend this nation to your care, in the name of the Father, Son, and Holy Spirit.

Jeremiah 29:7 - Also, seek the peace and prosperity of the city to which I have carried you into exile. Pray to the Lord for it, because if it prospers, you too will prosper.
